

CAIPET
Bedding & Solutions

Sizzle pad

Nests made from strips of virgin kraft paper to stimulate natural activity.

It reduces stress and facilitates the thermoregulation of animals.

Easy to handle, know the cost of enrichment for each cage.

Its average weight of 8g allows you to better regulate the enrichment dose per cage and reduce operators' working times.

Fiber width 4 mm, length 20 cm

Nest of 50x45 mm, 15 mm thick

Nest weight 8g

Autoclavable

N.460 pieces/box

Product subjected to control by an authorized analysis laboratory

OPTION: product irradiated at 25kgy

Caipet is one of the leading companies in Italy in the production of bedding and environmental enrichment products for laboratory animals. Caipet performs regular controls to ensure the quality and the absence of contaminants in its products. Our customers can rely on pre- and post sales assistance through direct and constant contact.
